**15 Yearling Heifers**

**12 Cows with calves at foot**

## **THE BULL OFFERING INCLUDES --**

The outstanding, imported herd bull, Saltoun Challenger, purchased for \$3600 in the 1952 Mathers Brothers Sale, Mason City, Ill. He is by the \$24,000 Calrossie Good News and he is a half-brother to the \$16,500 Level-dale Good News. There will be 40 sons and daughters of Saltoun Challenger also selling in this sale.

## **THE FEMALE OFFERING INCLUDES --**

The very tops of a herd that was started in 1937 with the top selections from America's leading herds and sales. In 1946 Henry Dietz purchased the Canadian bred bull, Aberfeldy Insignia, at the International Congress Sale in Chicago. This son of Glenburn Gold Cup, out of a dam by the Perth champion, Millhill's Ransom, has left a lot of top females. In 1947 Strowold Favorite Stamp by imported Lawton Favorite was purchased at the top price of the 1947 Pike County Missouri Shorthorn Breeders' Sale. At least a half-dozen of his top daughters will be offered. In 1948, Hillcroft Victory, the Chicago Congress sale champion bull was purchased for \$3,750. He sired the grand champion pen of three bulls in the 1951 National Range Bull Show and Sale at Broken Bow, Nebraska. He also sired the top selling bull at the 1956 Mid-Kansas Show and Sale. In 1951 the Mid-Kansas grand champion bull, Rothes Silver Mercury, by Sni-A-Bar Silver Mercury, was purchased at Salina. You will like his thick, meaty daughters and granddaughters that sell. Featured in this sale will be at least 15 females mated to Kickapoo Flight Chief, half-brother to the 1956 Chicago International reserve grand champion bull, and to the first prize get-of-sire at the same show.

Everything sells T.B. and Bangs tested. The cattle will not be highly fitted but just right to go on well in their new owners' hands.

## *General Information*

**Location** – Wakeeney Livestock Commission Company Sale Pavilion, located at the west edge of town on the north side of the railroad track.

**Terms** – The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**Guarantee** – Since this is a complete dispersion sale, all cattle will be sold without further guarantee. We would like to point out, however, that any questionable producers were always removed in our systematic culling practice each year. We will give you all the information we have on each lot with reference to breeding dates, etc., and announcements from the auction block will have precedence over printed information.

The above terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur but we shall make every effort to provide for the safety and comfort of our guests.

**Bids** – Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Mervin F. Aegerter of The Shorthorn World; to Allan Atlason or Ted Aegerter of American Shorthorn Breeders' Association, Chicago, Ill.; to the auctioneer, E. T. Sherlock, St. Francis, Kansas; to the press representatives, Mike Wilson, Kansas Farmer, Topeka, Kansas; or Wally Gladish, Kansas City Daily Drivers Telegram, Kansas City, Missouri.

# SONS DISPERSION SALE • Wakeeney, Kansas

**HOTELS** – Hotel Staats in Wakeeney will be sale headquarters. The Silver Lodge Motel located on U. S. Highway No. 40 will also provide splendid accommodations. The sale manager will make reservations for you if you like.

**INSPECT THE CATTLE AT THE FARM** – Henry Dietz & Sons will be glad to show the cattle to visitors between now and sale day at the Dietz Farm located 13 miles south and 1¼ miles west of Wakeeney on all-weather road.

**HEALTH OF THE HERD** – Everything sells officially calfhood vaccinated for Bangs and the Dietz herd has been handled in such a way as to guarantee its future usefulness in the new owner's hands. Regular producers, free from disease, and everything will sell with proper health charts that will allow entry into any state.

**TRANSPORTATION** – Wakeeney, Kansas is located on the main line of the Union Pacific Railroad between Kansas City, Missouri and Denver, Colorado, approximately 300 miles west of Kansas City and 300 miles east of Denver. Those wishing transportation from Chicago, Omaha or Denver can also use the Rock Island railroad lines which afford regular streamlined service and stops at Norton, Kansas, located just north of Wakeeney. All trains at Norton will be met if the sale manager or Mr. Dietz is advised.

## *A Good Time to Invest...*

Ever since Henry Dietz set out to buy his first registered Shorthorns in 1937, he has had only one program and that was to build and create the best herd of breeding cattle he possibly could. Located in a great wheat producing area with a lot of natural grazing land, Shorthorn cattle did well and fit readily into his large farm and ranch operation. While productions of the herd were never fitted or shown extensively, they did command good buyer reception whenever they were brought before the public in shows and sales.

It is more than significant that at the 1951 National Range Bull and Performance Show and Sale at Broken Bow, Nebraska, the champion pen of three bulls was produced in the Dietz herd and sold for \$2,560 to Abner McKenzie, Red Bluff, California.

Severe drouth conditions during the past five years is the only thing that would have made a dispersion sale of the Dietz Shorthorn Herd such as this one planned for December 8. During the past year, the pastures have been practically gone and only a few loads of forage were raised. Since early fall, the cattle have been fed entirely on hay that has been purchased.

It is simply a case of one man's misfortune being another's good fortune, and buyers seeking some top bulls and outstanding females will do well to attend this sale. An attraction, of course, will be the five-year-old imported herd sire, Saltoun Challenger, that was purchased in the 1952 Mathers Sale for \$3600. He is still a very strong and active bull and over 40 of his sons and daughters will sell in this sale.

Many opportunities will be found in this sale with the purchase of outstanding cattle and at prices that are certain to be favorable to the purchaser.

This fall is a good time to invest in good Shorthorns, and one of the good spots will be at this Dietz Sale, Wakeeney, Kansas, on December 8th.

KICKAPOO FLIGHT CHIEF — purchased in the 1955 Chicago International Sale from Kickapoo Farms, Kenosha, Wis. He is sired by Calrossie Highland Chieftain, top selling Calrossie bull at the 1953 Perth Sale and he is a half-brother to the 1955 International reserve grand champion bull, Kickapoo Council Chief, and the first prize get-of-sire at the Chicago International were all half-brothers and sisters. Kickapoo Flight Chief is out of one of Kickapoo's top breeding cows, and a daughter sold in the 1954 Marellbar Sale to Alcona Farms for \$2550. Unfortunately, this great young bull was injured on the first day we had him here at the farm, following the International Sale, and he was taken to Kansas State College where they pronounced he had been stifled in his left hind flank, and they told us last January that we might realize only limited service from him. We have been able to use him on some younger heifers in a limited way and we are selling several mated to him, in this sale. Due to this permanent injury he is not being sold but will be retained for use on a few club heifers owned by my young son, Dwayne.

**Saturday December 8, 1956 • HENRY DIETZ &**

Our Shorthorns raised in the open, under natural environment are healthy, good doing cattle — factors that are mighty important in this business of producing beef.

# SONS DISPERSION SALE • Wakeeney, Kansas

The good-doing ability of our Shorthorns has been appreciated by buyers over a wide area.

At left is Dwayne Dietz, 13-year-old son of Henry Dietz, with his grand champion steer, over all breeders, at the 1956 Trego County Kansas Fair. This steer was sired by Silver Mercury that sells as Lot 2.

Our champion pen of three bulls at the 1951 National Range Bull Performance Show and Sale at Broken Bow, Nebraska, included two junior yearlings and a summer yearling sired by Aberfeldy Insignia and Hillcroft Victory. This pen brought \$2,560, selling to Abner McKenzie, Red Bluff, California.
